1. We wish to acknowledge receipt of the first referenced dispatch and to inform you that we appreciate your suggestions mentioned in paragraph 3. It may interest you to know that identical suggestions were raised here several weeks ago.

2. In view of second referenced dispatch, we are reluctant to attempt implementation of the suggestions made by you because as indicated would be required to properly launch an adequate description operation. We, therefore, plan to take no action on your proposals at this time.

3. Meanwhile, we believe that Albanian I. S. will continue to operate against the Labor Service Company because as the Company is a logical target for that Service. To the extent that we are not exploiting the Company as in the past, Albanian I. S. will be following a somewhat "cold trail." However, Albanian I. S. efforts will not be in vain. A finger on the pulse of the Company undoubtedly should provide information of interest since personnel of the Company are deeply involved in enigma affairs and activities. Coverage of Albanian enigma activities appears to be high on the target list of Albanian I. S.

4. For your information, we are instructing the US representative in Munich, ~~SECRET~~, to attempt to develop an instrument within
